

The 2024—3rd Annual – North Florida/South Florida Challenge

Hosted by Flagler Palm Coast High School Saturday March 9th

The entire track facility was re-installed (again) and surfaced with the epiQ Track S200 (red-polyurethane surface) in (July 2022) to include new wider runways and a NEW Javelin runway. This makes it one of the fastest and finest high school facilities in the state, not to mention the concrete stadium with seating for over 5,000. The pole vault and high jump systems are NEW First Place pits (Spring 2017 and 2022) that exceed high school and college safety standards. Concessions and restroom facilities are available on site.

The meet will be team scored & scored North vs. South
