How to Register:

- Register on DirectAthletics.com. If your team is not invited, please email the Meet Director so he can invite your team. When registering you should...
- 1) Register all **Elite** entries, 2) Register **Regular** entries, 3) Register **Consolation** entries.

2026 Division Entry Method Information: as of Tuesday, March 10th, 2026

Elite Division:

- Elite entries are for all 15 individual events.
- Teams are allowed unlimited entries. **All entries will have verified cut-off marks/times (see next page)**. If athletes have not officially met these marks, their entry will not be accepted.
- Athletes without marks/times should be registered in the **Regular** or **Consolation** divisions.
- The following events are Elite only: High Jump, Pole Vault, 800m, 1600m, and 3200m.

Regular Division:

- Regular entries are the following events: 100m, 200m, 400m, 100h/110h, 400h, 4x100m, 4x400m, 4x800m, Long Jump, Triple Jump, Shot Put, Discus, and Javelin.
- Teams are allowed three (3) individual entries or one (1) relay. **All entries are accepted.**

Consolation Division:

- Consolation entries are for the 1600m & 800m.
- Teams are allowed unlimited entries. **All entries are accepted.**
- Consolation races are non-scoring, but officially timed. These races meant for young / JV athletes to get an opportunity to compete at a big meet. These races are after the 4x800m relay, and are NOT the slower heats of the regular competition.
- Please register athletes in either the 1600m or the 800m and NOT both races as these events are back-to-back which creates excessive No Shows in the 800m. If an athlete is registered in both Consolation races, they will be removed from one of the two events.

Adaptive Division:

- Adaptive entries are the following events: 100m, 200m, 400m, 800m, Shot Put, and Javelin.
- Teams are allowed unlimited entries. Ambulatory registration is on DirectAthletics. If you have a wheelchair competitor, please email the Meet Director for manual addition.

Minimum Performance Standards for Elite Division Entries:

- All entries entered in the **Elite** division must have met the minimum performance standards listed below. If they have not, they will be rejected by DirectAthletics, to which those athletes should be registered in the **Regular** or **Consolation** divisions.

* If a coach is found to have athletes competing under false names in order to be placed in the Elite division, that coach / school will be banned from the Youth Fair competition for one year. *
