

Eastern Indoors Collegiate

College Meet Information

Eastern Indoors has played host to Professional, College, High School, and Youth Track & Field in our first 4 years, and in 2026 we are hoping to grow our collegiate competition. Your meet hosts put on meets in all seasons, including the Louisville XC Classic in Cross Country, Eastern Indoors each winter, and Eastern Relays every spring.

The Norton Center boasts a world class facility and Eastern Events are known nationally as first class events. Our goal for the event is to provide a good competitive opportunity for schools located near Louisville. This quick, efficient meet will offer quality competition, a quick format, and one day travel for most regional schools.

All entries must be made through [Athletic.net](https://www.athletic.net) via <https://www.athletic.net/TrackAndField/meet/628639/info>

If you are new to Athletic.net and need a guide, check out <https://www.dcracetiming.com/onet>.

If you need further help, or need to be attached to your team, email dflaughter@dcracetiming.com

TFRR'S ID's will be added by our staff and results submitted immediately following meet.

Entry Submission

Entries for this meet require an easy two step process.

First - go to <https://www.directathletics.com/meets/track/93384.html> and sign your team up, using Roster Entry.

Two - come back to this page on [Athletic.net](https://www.athletic.net) (<https://www.athletic.net/TrackAndField/meet/628639/info>) and go to register, and place your athletes in their desired events.

Any issues, reach out to David Flaughter dflaughter@dcracetiming.com

Friday February 6th

Tentative time schedule, pending revision based on entries.
