Please speak and enforce this with your athletes and parents.
AWARDS & RESULTS:	JH Boys & Girls	Top 20 individuals receive medals. No team awards.
	Results:	https://www.allsportstiming.com/
ENTRY FEES:	Boys & Girls Divisions:	There is one JH Boys division & one JH Girls division. 7th & 8th grade runners will run together and will be counted as one team. You can create separate teams within a division but will need to pay \$150 per team. Boys and girls are considered separate teams. Please review examples below
	Example #1	You have one boys team (\$150) and one girls team (\$150). (\$150 + \$150 = \$300) Payment should be for \$300.00
	Example #2	You split your boys into two teams (7th boys = \$150, 8th boys = \$150) and run your girls as one team (\$150). (\$150 + \$150 + \$150 = \$450) Payment should be for \$450. <i>*Email me personally if you'd like this option so I can manually split it.</i>
	Open Division Race	The open division race is intended for novice runners and gives them a chance to be successful. Example; if you have 19 boys coming, have your nine slowest runners race in the open division. There is no additional team costs in the open division if you have already paid your team fee for that gender. To run the Open Division...Register all runners in the JH Boys or JH Girls division so they will receive a bib, but have them line up and race in the open division.
REGISTRATION:	Online Registration @ DirectAthletics:	All schools planning to attend and race MUST register all participating athletes. Be as accurate as you can when entering your athletes. https://www.directathletics.com/meets/xc/21355.html
	Important Note Regarding Entries:	Do not register 30 runners and bring only 10. This creates additional work for our timing company and we get invoiced for every runner registered in DirectAthletics as well as our timing company for incurred cost.
