

Dear Coaches,

Thank you so much for accepting our invitation to the Montverde Academy Track & Field Meet on March 2nd, we are incredibly excited for the event and look forward to hosting you.

Due to construction on campus, our Discus and Shot Put events will be held off campus at the National Training Center (NTC) at 8:30 AM Saturday morning. The NTC is approximately 12 minutes from the Montverde Academy campus and there will be meet officials and assistants onsite to answer any questions and keep athletes and coaches up to date with the current events schedule.

The address for NTC is:

National Training Center

1935 Don Wickham Drive

Clermont, FL 34711

We have bumped the throwing events up a half hour and the running events back an additional half hour to accommodate any scheduling conflicts that may occur. Coaches, parents and athletes for these two events are encouraged to meet at the NTC instead of attending the coach's meeting at 8:30 AM. Should your athlete and/or coach need transportation to and from NTC, Montverde Academy will be providing transportation.

Coaches please email our Assistant Athletic Director, Eryn Barroso at your soonest convenience to provide her with the number of athletes you intend to enter into the shot put and discus events and whether they will have their own transportation to and from NTC or will need transport provided for them. Eryn's email is eryn.barroso@montverde.org, she will be coordinating the transportation for coaches and athletes should they need it.

The remaining field events and the 4x800 will be held at the MVA track and begin at 9:00 AM, followed by running events at 12:00 PM.

Also, at the Montverde Academy Track near the concession and warm up area, there will be a Pro-Tent where some professional athletes that train at the National Training Center will be attending the meet. These athletes will be available to sign autographs, answer questions, and take pictures for anyone interested. They should be arriving around 11:30 AM and remain for an hour or longer. Athletes include:

Shaunae Miller	Olympic 400 Meter Gold Medalist
Noah Lyles	World #1 200 Meter
