

Important information for the 50th Annual MDCA Cross Country Invitational

August 23, 2025

The course is 50% asphalt and 50% grass. There are quite a few hills and it is viewer friendly.
It is a challenge, but a great run.

Timing-

There will be automatic timing. After the meet, there will be printed results and the results will be uploaded.

Parking-

Buses will park in the grass lot next to the gymnasium. All cars will be directed into various parking lots by the event management team. There is a grass lot above the stadium and also a lot at the bottom of the stadium that will be used for spectator parking. These lots will be closed for exiting during the races so expect delays if you decide to park in those lots. Overflow parking will be at the gymnasium lot. **If you arrive after 7:30AM or you want to leave prior to the last race, you must park at the gym lot and walk to the stadium because the roads will be closed for early races.**

Tents-

Team tents will be set up on the grass lot directly inside the main gate of the stadium or on the hill next to the stadium. Team tent spots are first come first serve. Personal tents are not permitted in the bleachers.
