Monadnock Regional High School

% Tom Cote Athletic Director

600 Old Homestead Hwy, Swanzey, NH 03446

REGISTRATION

All registrations will be on Direct Athletics. Speed Sport Timing will be timing this event. We will be limiting Varsity registrations to 9 athletes per school. We strongly ask that all athletes entered in the varsity races be able to finish in a time under 27 minutes for boys and under 30 minutes for girls. This will be a very fast race with very big fields. So please oblige us as best possible.

COURSE.

The course is a two loop figure 8 course, hard pack gravel with some grass and very little pavement. Spikes can be used and are optional. There will be two small hills, one on each lap. The course does run fast. There will be ample markings and lights on the course. This is a night meet under the lights.

Race address is 247 Monadnock Hwy. Swanzey, Nh
