Transportation: **PLEASE DO NOT ARRIVE ON CAMPUS BEFORE 12:30pm.** Buses should enter the main school entrance off Sansbury's Way and go east (around back) to drop off athletes, equipment, and coaches at the black gate. **PLEASE NOTE** it is a good walk from the black gate down to the Track Field. Please plan accordingly. We will have LIMITED Parking for Large Buses, so they may have to drop-off and park off campus until around 3:30pm once the parking lot clears out. I will try to get someone with a cart to help lug some of the gear.
