### **Restrooms**

The restrooms are located under the grandstands and in the baseball building. There are also multiple water bottle refill stations under the grandstand.

### **Inclement Weather**

In the event of inclement weather, you may gather your team under the grandstands or return to your vehicles. Coaches are expected to supervise their athletes at all times.

### **Calvary Lightning System: <https://www.ccaeagles.org/lightning-alerts>**

Here is the official lightning website for Calvary. It will continue to reset to the 30 minute countdown as long as there is lightning still in the area. If we are under a lightning warning, stay in your vehicles until you hear the 3 horns and the website says we are clear. Initially, there is one long horn blast if there is lightning and a flashing light on the bathroom building at the baseball field.

Spectators will be asked to shelter in their vehicles in the event of lightning.
